

# FOSM Party Pack, now available to hire!

---

At FOSM we appreciate the hassle and cost associated with planning a birthday party for your child. Disposable plates and cups can take away some of that hassle but can be expensive and also create a lot of waste that goes straight to landfill. That is why we have come up with the idea of renting out party packs. So far we have one pack available, if the scheme proves successful and there is enough demand we plan to invest in another.

Our colourful party pack contains everything you need to cater for a large group of excited children, full inventory is below. We are offering this for the small price of £5 to rent for your party and a £5 fully refunded deposit to cover losses and breakages. We are even offering the option of returning the pack unwashed for the bargain price of £3.

To book your party pack or if you have any questions or suggestions, contact Adrienne on 07875 169993. If you have any suitable items for use in or future party packs that you would like to donate, contact Sarah on 07703070039 or get in touch via the FOSM website or email address.
