Summer Term 2017

## Summer Garden Competition

*Have you ever played a game of quoits?*

*Get ready for a  
Great Summer Garden Competition!*

As the weather starts to warm up, we will be spending more time outside making our own set of wooden quoits - drill holes, sand the wooden pieces and paint them in our choice of patterns and colours. To make the rings, we will plait colourful rope, and to make sure we don't lose any parts, we will also decorate a canvas drawstring bag with fabric paint and brushes, as well as some block printing using wood block stamps.

We will finish the term with the outdoor party and competition! How many points do you think you will score?

Craft Club will take place on **Thursdays** after school until **16:30** for **10 weeks** from **27<sup>th</sup> April** until **13<sup>th</sup> July 2017** (excluding Election day on 4<sup>th</sup> May).

Please complete the consent form and return it to your teacher or the school office. Please note that the spaces are limited and will be allocated on a first come first served basis. Children from year 1 – 6 are welcome.
