

Key Question: How do Jewish people take time to think about God?

Today we discussed how Jewish people celebrate the special day of the Shabbat and use this time to think about God.

Please draw pictures and label them to show things that a Jewish child would do on the Shabbat.

Please draw pictures and label them to show things that you would do at a weekend.

Deeper Thinking Question: What special things do Jews do that make them individual and different to other faiths?

Jewish people take part in Shabbat. They have a special meal and do not use any electrical things or do any work.
