

Year Group	Autumn 1 Online Relationships	Autumn 2 Online Bullying	Spring 1 Online Reputation	Spring 2 Privacy and Security	Summer 1 Self-Image and Identity	Summer 2 Health, Wellbeing and Lifestyle
R	<p>Activity 2: Email activity (p19) Children have the opportunity to send an email to another class or year group. Discuss what the email could be about and why we would send it. Identify why email is a useful way of communicating.</p>	<p>Managing Online Information Activity 1: Finding out information using devices (p42) Teacher to revisit the content of the introductory video. Remind children that we can search for information and answers to questions using the internet. Children to use a safe search engine to search for questions generated from their learning journey.</p>	<p>Activity 2: Child friendly apps (p27) Teacher discusses with the class about which apps are child friendly. Share ideas about what apps the children like and why. Reinforce that it is always important to check with an adult before playing any app or game to make sure it is safe. Play an age appropriate game with the class on the smartboard.</p>	<p>Activity 2: My personal information activity (p61) Children design a poster or picture to show the things that are private to them and not to be shared with strangers or online (e.g. where their house is, who their family are, the school they go to etc).</p>	<p>Activity 2: Emoji match (p7) Display the emoji faces and speech bubbles. Ask children to match the speech to the correct emoji. Children asked what might make them feel that way.</p> <p>Activity 4: NO - STOP - I'LL TELL (p9) Teacher shows the class a mystery bag. Children choose different scenarios from the bag. Children to think about each scenario and share ideas about what they could do and say in each situation. Children to understand that they can talk to a trusted adult if they are unsure.</p>	<p>Activity 1: Safety heroes circle time (p52) In groups, children identify why it is important to stay safe when using the internet. Children come up with a set of rules to follow in order to be safety heroes.</p>
