

Dear Parents

St Marys are taking part in Birmingham's biggest public art trail 'The Big Sleuth' which will raise money for Birmingham Children's Hospital charity.

The Big Sleuth is designed to be a feast for the imagination, giving us all the opportunity to get children and young people enthusiastic about arts and crafts, as well as engaging them in important topics of conversation, like the environment, health and wellbeing and raising money to help others.

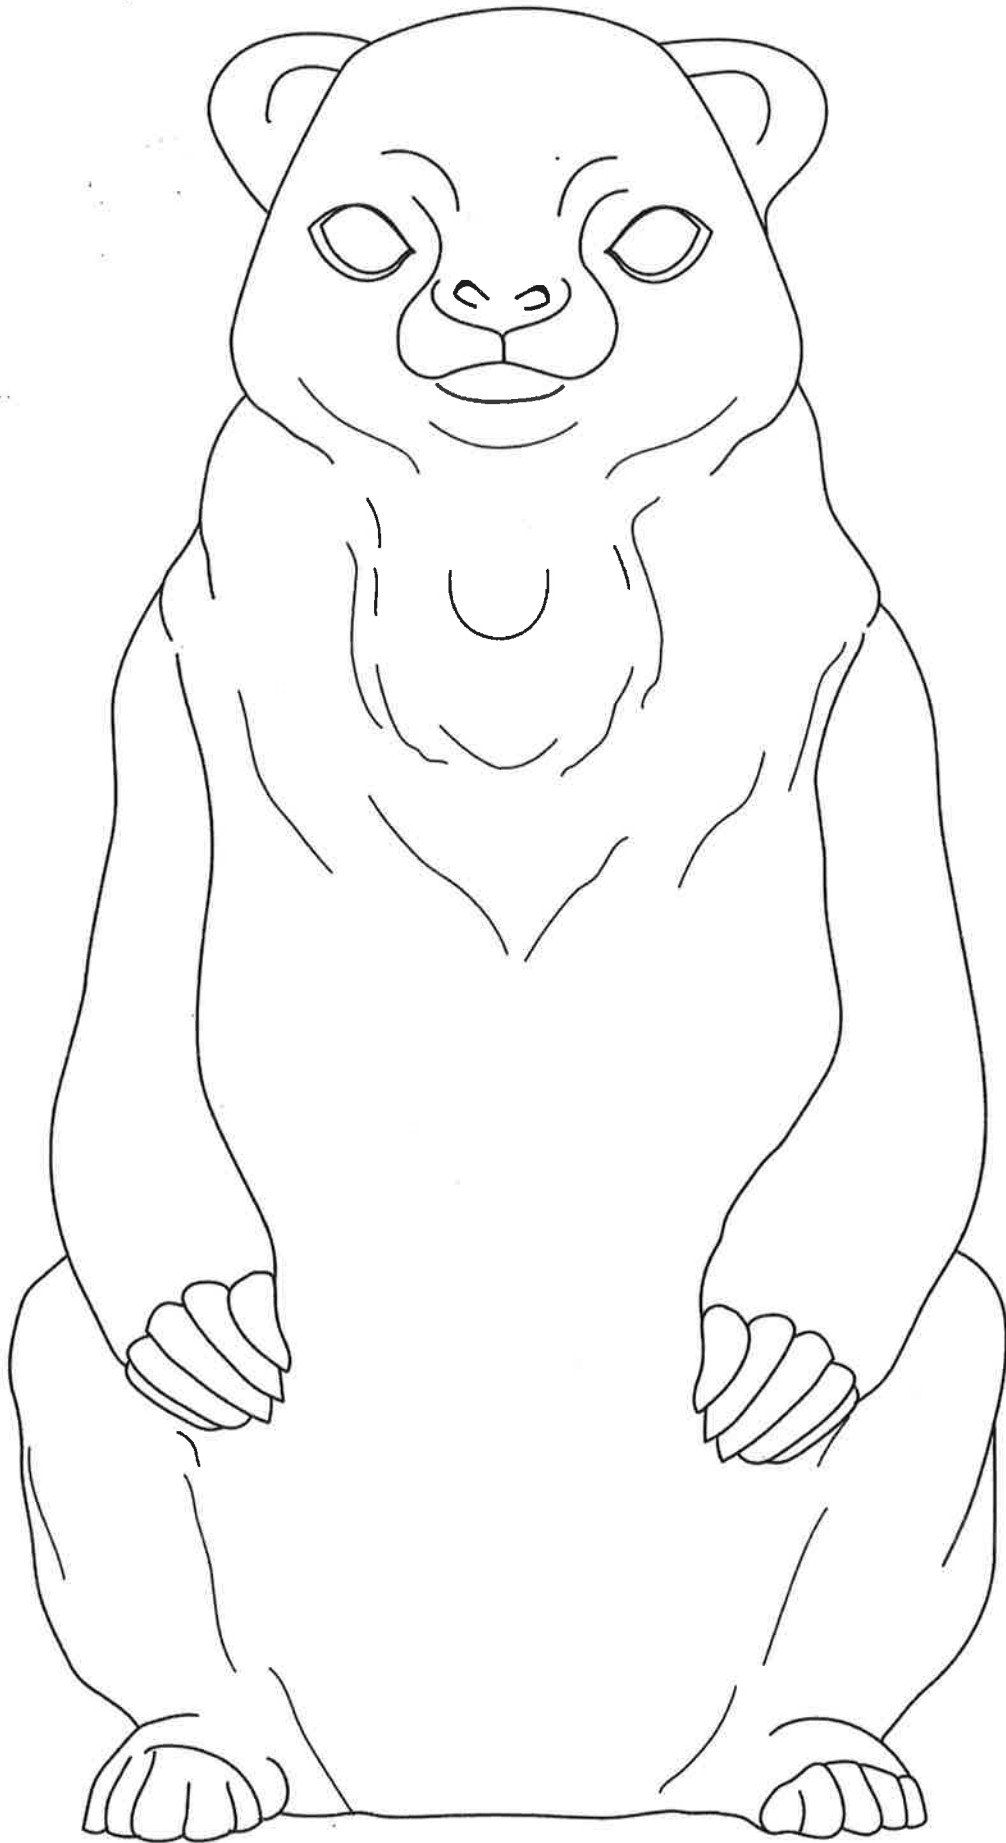

We would like all children to take part in helping to create a design for our bear. We have attached the template that must be used. Chosen designs will be used on our sculpture which will form part of the Big Sleuth Trail.

Please encourage your child to show adventure and imagination in their designs.

Please return your completed designs by Friday 3rd March 2017.

Thank you for your continued support.
